Experience

Build some school projects (OnlineBookStore) and personal projects such as EcommerceStore, FoodStore, and Personal Portfolio by using React Js and Tailwind Css.

Projects

- OnlineBookStore – A responsive bookshop website built with React and Tailwind CSS.
- EcommerceStore – Designed an e-commerce UI with product listing and filtering features.
- FoodStore – Created a food ordering website with a modern UI.
- Personal Portfolio – Built a personal portfolio to showcase my work and skills
